PuchasPlus Operations model

~ Aim higher than what the guest expects from you!~

1. We are the quiet oasis by the Stegersbach Thermal Spa!

We are committed to health and senior tourism and offer our guests calm, peace and relaxation in a friendly atmosphere. The establishment of a cosy holiday home environment, in which colours and architecture are matched together, presents itself with a new opportunity and challenge every day. In order to ensure this, we have politely pointed out that we are not a children's hotel and ask for mandatory compliance with the house rules!

2. We place sustainability very highly!

Mother Nature is important to us. Therefore, we want to not only deal with the resources and opportunities that are available to us in an economical fashion but also in an ecological as well as natural and efficient manner too. To correspondingly protect nature and the environment, we motivate our employees, suppliers and guests to careful use of the natural resources. In addition, our rooms have been affectionately designed by local carpenters and equipped mostly with pine wood-health beds.

3. We guarantee quality at reasonable prices!

We have chosen an exceptionally broad selection of services offering a unique price in three different room categories. Quality is important to us and only the best will do for our guests. We focus on regionalism as well as the processing of high quality food, natural and fresh products.

4. We convey a healthy lifestyle!

We are happy to meet individual guest needs and cater for relaxation and inspiration. We want to convey a healthy lifestyle not just locally, but we also want our guests to take this attitude home with them. The promise of quality to our guests: We want to inspire, advise and support!

5. Nature gives us a wholehearted glow!

The PuchasPlus team places a lot of emphasis on a beaming smile, a warm gesture, a friendly handshake and the feeling of being welcomed. Every employee is an important part of the company. Through a targeted and quality educational program in both professional and personal terms, productivity is promoted and quality management in all sectors is ensured.

6. We are proud of our guests!

We pride ourselves in pampering approx 25,000 satisfied guests each year and look forward to receiving your suggestions, requests and constructive criticism. These motivate, authenticate and inspire us.

We are the youngest of the spa hotels, we are one of the smallest and the most cheerful and colourful!

AND THESE FACTS are your PLUS:

- Hospitality that comes from the heart - with us every guest is a Queen
- Our rooms are all furnished with affection, the highest quality natural materials and cheerful fresh colours - the perfect way to feel comfortable like home.
- You reside in personal familiar settings and walk directly with your bathrobe into the large, diverse and soothing Stegersbach thermal spa.

Our massage, therapy and cosmetic treatments are waiting for you. It's important to fall back onto tried and tested hands ...

- Fancy an activity day? With pleasure: The first hole of the Golf-Eldorado "Golf Stegersbach-Lafnitztal" is just outside the front door! There are walking sticks and bicycles onsite for you to borrow! The unique landscape is also ideal for hiking.

- Culinary delights are part of your holiday. Our breakfast buffet is a great experience and offers a variety of delicacies from the region.

The half-board experience is taken literally in PuchasPlus. Partnerships with excellent catering facilities in the near surroundings guarantee variety - Enjoy a multi-course speciality-menu every evening in a restaurant of your choice. Plus: The local taxi will take you anywhere - there and back.

- PLUS for those seeking tranquillity - whether young or young at heart - our concept is tailored to you. A variety of packages provide PLUS services for romantics, the elderly or those thrill seekers.

- Absolute best value for money - a PLUS holiday brings health and well-being, but it can also be easy on your pocket too!

SPA HOTEL PUCHASPLUS** –**

The Spa Hotel PuchasPlus ** in Stegersbach stands, as the name suggests, for a big Plus in terms of facilities. We pamper guests with especially spacious and comfortable rooms, a familiar setting, a relaxing atmosphere, free admission to the spa and above all - with attractive prices!**

Immerse yourself in a sea of sheer light, air, sun and nature. Enjoy the vivid variety of colours and hospitality with heart and soul. Experience the unique feel-good residential atmosphere in one of our exceptional pine rooms. Feel the difference from everyday life. The uniqueness is unlike any other. We give you time, peace and relaxation. The hotel's Healing Massage Therapy Centre. Maximum freedom of choice: PuchasPlus half-board experience

The Spa Hotel PuchasPlus defines the standards for comfortable living in an entirely new manner: 36 m² sized rooms with larger, higher and wider beds from healthy pine solid wood, healthy anti-allergic non smoking rooms and an on-site Healing Massage Therapy Centre with a natural cosmetic section are just some of the many benefits that we offer our guests. The romantic suites offer even more surprises such as the 'Princess Open Bath' bathroom with tub and XL Sleep island. A special Plus: the Spa Hotel PuchasPlus is a one hundred percent barrier free hotel and offers ideal conditions to wheelchair users for a relaxing spa holiday.

Sleep peacefully in the healthy wood of the Alps

All rooms are equipped with wooden furniture from healthy pine wood, 4-star amenities with a flat screen TV and a large fridge as well as a balcony or sun terrace. The special essential oils of pine wood soothe the heartbeat at night and eases the burden of the heart and thus enables a relaxing, peaceful and above all dreamlike sleep. For a special sleeping experience, the water-gel bed can be booked that optimally supports the body and noticeably relieves back pain.

Culinary experience

In addition, the Spa Hotel PuchasPlus also does its best to cater for creature comforts. So the day starts with a breakfast from the rich delicacy buffet with regional products in the panoramic conservatory with the morning sun, which overlooks the thermal spa.

Completely new and current are the "vitality snacks" in the form of the salad, soup and cake buffet. Through intensive cooperation with many suppliers from the region, fresh and local produce is delivered daily. The short delivery and storage times optimally ensure outstanding quality and freshness of the products. The unique experience of half-board offers additionally the possibility of getting acquainted with the culinary specialties and enjoying the aura of the region. The special feature of this: the guest has the opportunity to decide, on the spot every day, whether to take an offering and can thus individually fulfil their desires every day.

Healing Massage Therapy Centre directly at the hotel

A wide range of massages, therapies and natural cosmetics are available to guests. First-class individual treatments ensure pure health, well-being, and relaxation. The Therapy Training Centre in Stegersbach is new. The training centre can be utilized by the guests free of charge and provides therapeutic training after surgical procedures, fitness and health training, specific strength training for the elderly and a range of courses such as Pilates, Yoga, Zumba ...

Attractive spa and golf offer

For a short yet exceptional experience, hotel guests can make their way, independently of the weather, directly to the Stegersbach thermal spa, where they can enjoy the healthy thermal water with its many facilities including the sauna.

Austria's largest golf course with 50 holes, the Reiters Golfschaukel Stegersbach Lafnitztal, offers those who want a taste of the sport of golf, as well as those experienced golfers - the chance to explore their passion with a green fee discount of 20%.
